PHOTOGRAPHIC CARD. TAKE pleasure in amouncing to my old friends and customers that after an absence of two years, I have again returned to resume the practice of the Photographic Art in all its branches, having purchased the interest of my brother in the old established Gallery in Union Street, and having speut four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, renovated and emlarged the suite of Rooms throughout. That my facilities are now better to produce first-class work than mest Galleries can beast of, and conduce to the comfort of sur patrons. I trust not only to sustain the proud position the Gallery has heretofore contained, but to elevate it to a vitil higher standard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in the State, but mf work shall not be surpassed North or Sou and new introduce to the public the following new styles: Imperial Photograph, India Ink; Vignette, plais or colored; Ivorytypes, colored;

Ivorytypes, colored;

I continue to make the Melainotype and Ambretype as heretofore. The above styles are all entirely new in this city, except
